EQUAL OPPORTUNITIES AND SPECIAL NEEDS

18. We are determined to make sure every child is treated fairly and equally. Our Equal Opportunities Policy is available for all parents to read. It is, however, essential that parents speak with The Dell's co-ordinator prior to registration regarding any special needs be they medical or social so as to ensure that we can endeavour to meet them in a timely fashion and if necessary arrange to recruit additional staff with appropriate training.

19. BEHAVIOUR MANAGEMENT

Our aim is to provide a safe and happy environment for all children. We want your children to have a good time, but we expect them to be responsible and courteous to each other and to the leaders. They are expected to obey any instructions given by staff. If there is a persistent problem the Co-ordinator will talk to the parents about their child to try to sort out the difficulties together. No child will be punished physically. If a child is breaking the rules, they will initially be reminded of them. They may be withdrawn from the group for a time, and spoken to by the playleader. All incidents of a serious nature will be recorded. It may be necessary to telephone parents and request that they speak to their child over the phone or come to collect them.

The Dell operates a Three Point Rule Policy copy enclosed.

20. EXCLUSIONS

If there is persistent uncontrolled and undisciplined behaviour (including shouting, swearing, refusing to obey instruction, aggressive, violent, bullying and intimidating behaviour) we may have to suspend or permanently exclude a child from The Dell, the safety and well-being of other children will be given greater consideration. No refund can be made in the case of exclusion or suspension.

21. ILLNESS

Children who are ill should not attend. No refund can be made in the case of illness.

22. CHILD PROTECTION

We work in partnership with parents/carers and respect confidentiality. However, the Children's Act 1989 promotes the welfare and safeguard of children in childcare and education establishments. As a result, our first concern will always be the welfare of our children and if a concern is raised within The Dell we cannot guarantee confidentiality, as it will be reported to Social Services.

23. COMPLAINTS PROCEDURE

If you have a complaint, which you have been unable to resolve with The Dell's Co-ordinator you can obtain a copy of our complaints procedure from her.
