Child Sickness Policy

Parents are required to keep their children at home if they are unwell.

Parents should inform the leader as to the nature of the illness to enable other parents to be alerted if necessary.

Any child who is obviously unwell on arrival will not be accepted.

If a child becomes unwell during the course of the day / session, they will be comforted, observed and cared for by a member of staff. The parent or guardian will be contacted and requested to collect their child as soon as possible. Emergency contact details will be used if the parent / guardian cannot be contacted.

Further information about incubation periods of infectious illnesses can be obtained from a member of the Dell staff.
