## Special Needs Policy

The Dell Out of School Club recognises that all children are individuals and have particular needs. However there are children who will have very specific needs which may require additional planning and consideration.

The Dell is committed to supporting children and their families whatever their needs.

To ensure that the needs of all children are met, the Dell will liaise closely with parents/carers of the child, the school and any other appropriate agencies when required. Staff will receive ongoing training to meet the needs of all children.

The Dell provides a safe environment that is friendly, caring and supportive of specific needs.
