## Unwell Child Policy

Parents are required to keep their children at home if they are unwell. Please inform the leader as to the nature of the illness to enable other parents to be alerted if necessary. Any child who is obviously unwell on arrival will not be accepted.

If your child becomes unwell during the course of the day/session they will be comforted, observed and cared for by a member of staff. You will be contacted and requested to collect your child as soon as possible. We will use emergency contact details if we are unable to contact you.

If you would like further information about incubation periods of any infectious illness you are welcome to contact the Dell staff.
